BY-LAWS CHANGE

FHA dues collection has been outsourced to CAS, a professional management firm. Because this was previously the function of the Financial Officer it is proposed that:

“The Bylaws be amended in regard to Article V, Section 1, as well as Article VIII, Section 3.d to eliminate the Financial Officer from the Board. The amended Article V will read: The affairs of this Association shall be managed by a Board of Directors that shall consist of four (4) officers of the Association (President, Vice-President, Secretary and Treasurer) and six (6) other directors, a total of ten (10) in all. Article VII will merely eliminate the description of the duties of the Financial Officer.”
